

# PERSON-CENTERED THINKING

**How do you  
want to live  
your life?**

**What do you  
need to make  
that happen?**

There are some exciting changes taking place here in our state as the Rhode Island Developmental Disabilities Service System moves forward with Person-Centered Planning and what that means.

Person-Centered Planning is more than just your Individual Service Plan.

A Person-Centered Planning Process can help you reach the goals that matter most to you, and help you live the life you want.

Join us at Advocates in Action, 662 Hartford Ave, Providence RI on one of the dates listed below for a conversation about Person-Centered Thinking, Planning and Support.

**Monday, June 26<sup>th</sup>, 1:00 - 3:00pm**
