

# The S. A. Pokey!

*Lyrics by Advocates in Action RI*

You put your right foot in  
You take your right foot out  
You put your right foot in  
And shake it all about

We do the S A Pokey  
And turn the world around  
That's what it's all about

You put your wide eyes in  
You take your wide eyes out  
You put your wide eyes in  
To see what it's about

We do the S A Pokey  
And turn the world around  
That's what it's all about

You put both ears in  
You take both ears out  
You put both ears in  
To hear what it's about

We do the S A Pokey  
And turn the world around  
That's what it's all about

You put your whole heart in  
You take your whole heart out  
You put your whole heart in  
To help each other out

We do the S A Pokey  
And turn the world around  
That's what it's all about

You put your strong voice in  
You take your strong voice out  
You put your strong voice in  
Let others hear you out

We do the S A Pokey  
And turn the world around  
That's what it's all about

You put your whole self in  
You take your whole self out  
You put your whole self in  
To share what you're about

We put us ALL in  
WE take us ALL out  
WE put us ALL in  
We're WHO it's all about

We do the S A Pokey  
We do the S A Pokey  
We do the Ssss AAAAA Po-key  
That's what it's all about!
